SUBJECT: Anonymous Complaint: Dumping of Industrial Waste  
Ford Motor Company Assembly Plant - Wixom, Michigan

I have received a phone call from a resident of Wixom, Michigan, who wishes to remain anonymous, indicating that an employee of the Ford Motor Company Wixom Assembly Plant, has observed other company employees dumping solid and liquid wastes "out the back door" of the facility into a small lake on the property, believed to be an extension of Proud Lake. Although the validity of the complaint cannot be assessed on the basis of the description of waste disposal practices provided, I believe that the alleged dumping of wastes into the lake should be investigated as priorities permit.
